

# Affected by a Substance Use Disorder?

## Call a Recovery Coach Today!

Recovery Coaches provide hope to anyone affected by a substance use disorder by providing resources, connecting to the recovery community, and sharing personal experiences. Marshfield Clinic Health System AmeriCorps Recovery Coaches are certified through the nationally recognized Connecticut Community for Addiction Recovery (CCAR) Coach Academy.

### Recovery Coaches offer:

- Peer-to-peer support for individuals and families
- Assistance in navigating community resources
- A voice for the recovery community
- Advocacy
- Personal experiences with recovery
- Connection to treatment and recovery support resources
- Availability after hours or on the weekend by appointment
- Sober companionship
- Identification and resolution of personal and environmental obstacles to recovery
- Help cultivating sobriety-based habits and social activities
- Connections to recovery and self-help groups
- Education about recovery topics
- A plan for wellness
- HOPE!

### Who can participate in Recovery Coaching?

- Anyone with a substance use disorder
- Any individual affected by substance abuse, including families, children, and friends

The Recovery Warmline does not offer crisis counseling, emergency services, or provide medical advice. If in an emergency, dial 911. If you feel you are in crisis, please call the SAMHSA (federal Substance Abuse and Mental Health Services Administration) national AODA and Mental Health Helpline at: 800-622-4357(HELP). It's free, 24/7, covers both mental health and alcohol & other drug related crisis, and can connect you to local resources. If you are seeking medical advice, please contact your doctor.
