Wisconsin's Approach to Addressing the Opioid Crisis

#HopeActLiveWI

Continuum of Care

Preventing misuse and abuse, investing in treatment, supporting recovery

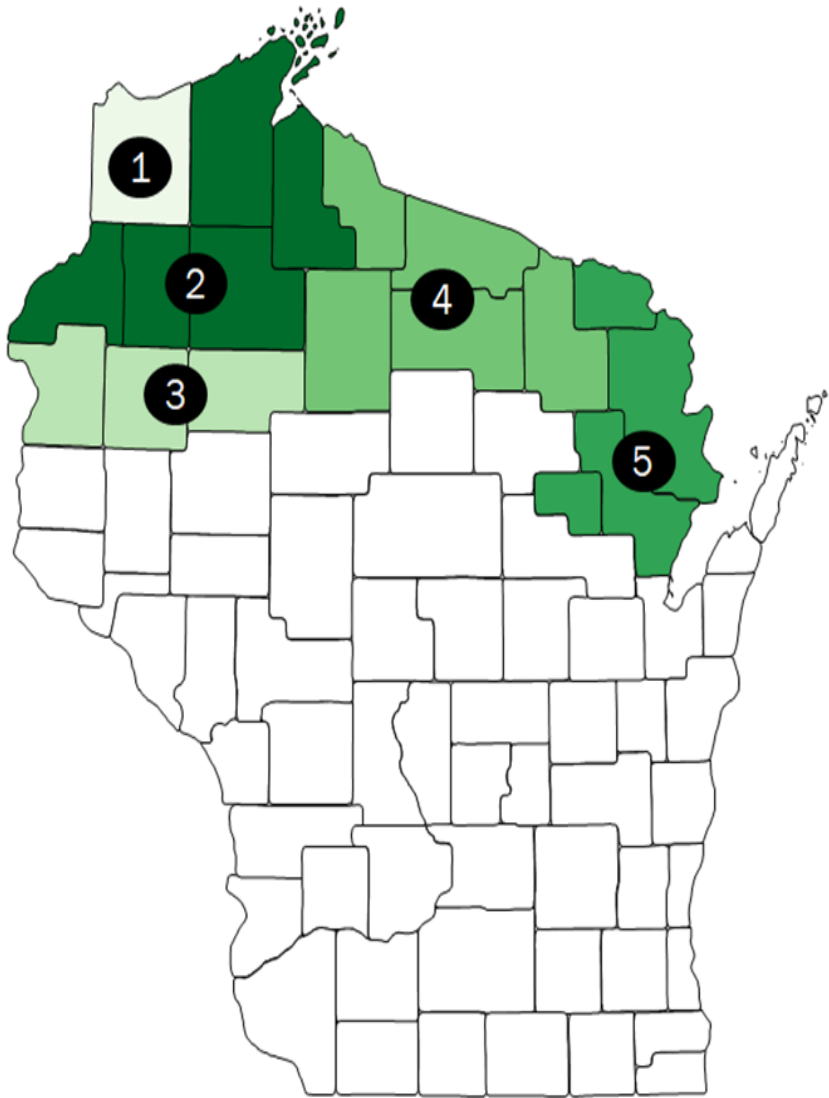

Heroin, Opioid, Prevention, Education (HOPE) Agenda – State Funded Projects

Regional treatment centers

- Five programs serving northern Wisconsin
 - HOPE Consortium (opened in 2015)
 - Northeast Wisconsin Opioid Treatment Services (opened in 2015)
 - NorthLakes Community Clinic (opened in 2015)
 - Lake Superior Community Health Center (opened in 2018)
 - Family Health Center of Marshfield, Inc. - Alcohol and Drug Recovery Center, Ladysmith (opened in 2018)
- Two forms of medication-assisted treatment are offered (buprenorphine products and naltrexone).
- More than 1,700 people have been served.

Regional treatment centers: Service areas

1. Lake Superior Community Health Center
2. NorthLakes Community Clinic
3. Family Health Center of Marshfield, Inc. - Alcohol and Drug Recovery Center, Ladysmith
4. HOPE Consortium
5. Northeast Wisconsin Opioid Treatment Services

Jail-based medication-assisted treatment

- ❑ Grants awarded to 15 county agencies and one tribal agency.
- ❑ Participating inmates receive a dose of an injectable medication before their release that treats opioid use disorder.
- ❑ A treatment plan after release that includes counseling and follow-up injections provided in the community is established to ensure success.

Jail-based medication-assisted treatment

Locations/county jails:

- Bayfield
- Brown
- Columbia
- Dane
- Dodge
- Grant
- Kenosha
- Iowa
- Manitowoc
- Racine
- Rock
- Shawano
- Sheboygan
- Walworth
- Washington
- Waushara

Narcan Direct

NARCAN Direct program

- ❑ Beginning the summer of 2019, DHS will be a participant in the Narcan Direct program.
- ❑ DHS has been able to allocate over \$1 million to invest in the Narcan Direct program, which will supply agencies and organizations statewide with Narcan for dissemination in their communities.
- ❑ Organizations and agencies that participate in the Narcan Direct program with DHS will need to become “vendors”, which will include completion of a required training identified by DHS.
- ❑ DHS will begin initial outreach efforts to local public health departments in the coming weeks, to begin establishing vendors.

Active Federal grants

Substance Abuse and Mental Health Services Administration

- ❑ Strategic Prevention Framework Partnerships for Success – 2015 (SPF PFS 15)
- ❑ Strategic Prevention Framework for Prescription Drugs (SPF Rx)
- ❑ Prescription Drug/Opioid Overdose-Related Deaths Prevention Project (WI PDO)
- ❑ State Opioid Response (SOR)

SPF PFS 15 (Prevention efforts)

- ❑ \$8.2 million over 5 years (Sept. 2015-Sept. 2020)
- ❑ Focus: Prescription drug misuse and abuse among those 12-25 years-old
- ❑ Locations/counties:
 - Ashland
 - Columbia
 - Dane
 - Douglas
 - Eau Claire
 - Florence
 - Forest
 - Vilas
 - Oneida
 - Kenosha
 - Marinette
 - Menominee
 - Milwaukee
 - Rock

SPF PFS 15

Strategies

- ❑ Promotion of Dose of Reality campaign
- ❑ Promotion of medication security, collection, and disposal
- ❑ Education for prescribers
- ❑ Support for Drug Recognition Expert training for law enforcement
- ❑ Support for drug identification training for educators

SPF PFS 15

- Alliance for Wisconsin Youth regional prevention centers are funding one coalition to implement these strategies in each of the 14 high-need counties.
- The coalitions began their implementation efforts on October 1, 2016.

SPF Rx (Prevention efforts)

- \$1.8 million over 5 years (Sept. 2016-Aug. 2021)
- Focus: Raise awareness of the risks of opioids, promote safe prescribing practices, establish system to track misuse trends
- Location/counties:
 - Dodge
 - Sauk

SPF Rx

- ❑ Provide training, technical assistance, and support through the Alliance for Wisconsin Youth to substance abuse prevention coalitions in both counties.
- ❑ Provide professional development opportunities to community members in both counties engaged in substance abuse prevention work.
- ❑ Provide training for educators in both counties to help them support students experiencing a substance use challenge.

WI PDO (Prevention efforts)

- \$5 million over 5 years (Sept. 2016-Aug. 2021)
- Focus: Overdose death prevention, naloxone distribution
- Location/counties:
 - Kenosha (public health department)
 - Sauk (public health department)
 - Waukesha (health and human services department)

WI PDO

- ▣ Trained staff on best practices
- ▣ Hosted trainings for first responders and family members on how to use naloxone, more than 5,300 individuals trained with more than 90 opioid overdoses reversed

SOR (Treatment and recovery efforts)

- ❑ \$11.9 million (Oct. 2018-Sept. 2019 - expected to be an annual allocation) (\$6.2 million, one-time supplemental funding awarded in March 2019)
- ❑ Focus: Increase access to medication-assisted treatment, reduce unmet treatment need, reduce opioid-related deaths
- ❑ Location/counties: All regions of Wisconsin

Current SOR Projects

- Unmet treatment needs
- Expansion of medication-assisted treatment
- Two regional opioid treatment programs
- “ED2Recovery” Program
- Wisconsin Addiction Recovery Helpline
- Workforce development trainings

Wisconsin Addiction Recovery Helpline

- ❑ 24/7 free, confidential service
- ❑ Call 211 or visit addictionhelpwi.org
- ❑ Referrals to treatment and recovery services
- ❑ Help navigating insurance coverage questions

Project ECHO

- ❑ Training for treatment providers in pharmacotherapy and behavioral interventions for substance use disorders
- ❑ Free video conferences held third Friday of every month (12:30-1:30 p.m.)
- ❑ Case-based learning from specialists in addiction medicine

UW Addiction Consultation Provider Hotline

- ❑ Support for treatment providers managing patients with addictions
- ❑ Free service
- ❑ Call 800-472-0111
- ❑ Questions answered by addiction medicine experts at UW-Madison School of Medicine and Public Health and UW Health.

Conference

▣ Opioid Forum

SAVE THE DATE:

May 5-7 2020

- Preconference Sessions on May 4th
- Location: TBD

Methamphetamine grants and supports

Grants

- 4 counties currently receiving funding to support methamphetamine treatment
 - Barron
 - Burnett
 - Polk
 - St. Croix

- Looking to expand these efforts

Additional efforts

- SCAODA meeting focused on methamphetamine
- MHSA conference presentations
- One day Meth Summit in spring 2020
