

Family Health Center RentReady Program

Are You in Recovery and Searching for Long-Term Housing?

Established in 2019, the Family Health Center RentReady Program supports individuals with at **least six months of recovery** who live in **Clark or Wood** Counties and are seeking long-term housing.

The FHC RentReady Program:

- Provides funds for security deposit and first month's rent
- Provides three-month rent guarantee for participating landlords if a tenant defaults on lease or is evicted for cause
- Supports tenants securing essential household items
- Provides tenant connections to services in the community

Program Participants:

- Successfully complete renter and budgeting education provided by the UW-Madison, Division of Extension Rent Smart program
- Create a portfolio to share with landlord prior to leasing
- Develop a recovery wellness plan
- Establish relationship with a peer support professional
- Agree to accountability expectations for program
- Understand the tenant is responsible for services outside of the lease (e.g., utilities, internet, etc.)

How the Program Works:

- **Apply** to participate in the FHC RentReady Safe & Sober Housing Program
- **Complete** RentReady Program requirements within six months
- **Receive** assistance identifying and maintaining suitable rental housing
